3. **Update Financial Assessment: KPMG.**

Marcelo Visconti and Federico Otero make a brief update on the analysis of RTRS tax and accounting situation that is being conducted by KPMG.

Considering that KPMG has confirmed that it will not be able to provide RTRS with a final report by the date on which RTRS is required in accordance with its current Statutes and By-laws to send the notice to its members distributing the agenda and materials for the next General Assembly, Marcelo Visconti proposes the following:

(i) to postpone the execution and approval of RTRS 2016 financial statements until the analysis on the tax and accounting situation of RTRS is completed.
(ii) to include in the agenda and materials for the next General Assembly an operating incomes and expenses report and differ the approval of 2016 financial statements.

(iii) to include as an item of the agenda of the 11th General Assembly for the members to vote on (a) empowering the Executive Board to request the members of RTRS for an extraordinary contribution from each member in an amount not to exceed the equivalent to an annual membership fee; (b) delegating on the Executive Board the determination of the need of such extraordinary contribution and the payment terms; provided that (1) the funds collected are used create a reserve to finance the costs of the analysis that the Executive Board and the RTRS Secretariat are conducting with RTRS advisors and any potential consequences resulting from such analysis; and (2) any funds remaining in such reserve after completion of the process, if any, shall be treated as an advanced payment of future annual membership fees.

In the absence of any objections, Belinda Katharine Howell confirms that the resolutions are approved by the Executive Board.
